

Please note that Xpresso and Nitelink services are not included on this diagram.

Finding your stop

Ag aimsiú do stad bus

Once you have found your destination in the index overlay you can locate the relevant city centre stops on the city centre map above and the relevant bus routes on the diagram to the left.

Nuair a aimsíonn tú do cheann scríbe ar an innéacs lastall is féidir leat stadanna ábhartha lár na cathrach a aimsiú ar léarscáil lár na cathrach thuas agus na bealaí bus ábhartha a aimsiú ar an léarscáil ar chlé.

Dublin Bus Network 2009
Bus Átha Cliath Gréasán 2009

Using this leaflet

Ag úsáid na bileoige seo

Once you have found your destination in the index you can locate the relevant city centre stops on the city centre map.

Nuair a aimsíonn tú do cheann scribe ar an innéacs is féidir leat stadanna ábhartha lár na cathrach a aimsiú ar léarscáil lár na cathrach.

Each city centre area has a set of stop codes that corresponds to the area name. Each stop code takes its first letter from the area it is located in:

Tá sraith chóid stad ar gach ceantar lár na cathrach a chomhfhreagraíonn d'ainm na háite sin. Tagann an chéad litir i ngach cód stad ón gceantar ina bhfuil sé suite:

O'Connell Street: OG OQ ON

Parnell Square: PS PC PU

The Quays (Aston and Eden): AH AA EN

Trinity College: CA CS CK

Nassau Street: NB NF NC

St. Stephen's Green: SB SF SH

Some buses depart from more than one city centre area, the city centre map will help you find the nearest stop.

Imíonn roinnt busanna ó níos mó ná ceantar amháin i lár na cathrach agus cabhróidh an léarscáil thuas leat an stad is gaire a aimsiú.
