There is a regular public bus N° 37 between Split and Trogir, but the best option is a coach.
You can take it at the bus terminal opposite the cruise terminal.
The coach rides from Split to Sibenek and makes a stop in Trogir.
The ride is much more comfortable then by public bus and it takes less than 30min.
A ticket can be purchased at the counter next to the bus station and costs kn34 per person (one way).
The buses run almost every 30 minutes.
