HOW TO READ THIS SCHEDULE:

Locate the correct schedule based on the day of the week you are traveling, then locate the correct section of the schedule based on the direction you are traveling. The times shown are for major checkpoints along the route and letters shown above the checkpoint name refer to locations that are shown on the route map. For example, if you want to travel from Military Road to Avalon Mall on a Monday at approximately 830a, you would look at the Monday - Friday schedule for the direction "To Avalon Mall". The bus leaves Bonaventure Avenue at Military Road (C) at 845a and arrives at Avalon Mall at 915a. If your bus stop is before the Bonaventure Avenue checkpoint, you would need to be at your stop a few minutes before 835a and if your bus stop is after the Bonaventure Avenue checkpoint, you would need to be at your bus stop soon after 835a. Please arrive at your bus stop a few minutes ahead of your scheduled departure time.

RIDING METROBUS TRANSIT IS EASY WITH YOUR M-CARD

Our m-Card is an interactive smart card that we use to handle all of our fare media, except for cash fares. The m-Card is the same size as a credit card. When a customer boards a bus, he or she simply holds the card in front of the on-board reader to the pay the fare. The reader recognizes what type of fare or pass is on the card and approves or denies the ride electronically. Because it's a smart card, you keep using the same card, week after week, month after month. Value is added to the card by the user at any of our sales outlets. In addition, you can add value to your card online at metrobus.com. Use your m-Card and collect m-Points that can be redeemed for valuable gift cards.

Now little trips can lead to big ones.

Ride with your m-Card and earn AIR MILES® reward miles. Visit metrobus.com/mcard for details and to register.
